Description

The Premier Nosing 9 mm is a self-adhesive profile for wood and laminate floors, perfect for situations where a self-adhesive solution is required and ensuring a neat, professional finish.

Thanks to its self-adhesive underside, there is no need for drilling or screwing.

- Suitable for wood and laminate floors
- Self-adhesive installation
- No drilling or screwing required
- Achieves a neat, professional finish

This profile is available in brushed steel-nickel, brushed black, brushed pewter and brushed light bronze, with a width of 25 mm, height of 9 mm and length of 2.70 m.
