Description

The Premier Ramp Edge is a high quality, self-adhesive profile designed to create a smooth transition between vinyl and other types of resilient flooring. This ramp profile ensures a neat and stable finish where floor levels differ.

With its self-adhesive strip on the underside, there is no need for drilling or screwing.

- Provides a seamless transition between different floor levels
- Suitable for vinyl and other resilient floor coverings
- Premium self-adhesive ramp profile
- No drilling or screwing required
- For a neat and professional transition finish

This profile is available in brushed steel-nickel, chrome, brushed black, brushed tin and brushed light bronze, with widths of 32.4 mm and 39.4 mm, and a length of 2.70 m.
