Description

Premier Ramp Edge is a high-quality self-adhesive profile that delivers a smooth and stable transition to LVT or other resilient floor coverings. The profile ensures a neat and secure finish between floors of different heights.

Thanks to the self-adhesive strip on the base, there is no need for drilling or screwing.

- Provides a seamless connection between differing floor levels
- Suitable for use with LVT and other resilient flooring
- Premium self-adhesive ramp profile
- No drilling or screwing required
- Achieves a tidy, professional finish between surfaces
